

Dear Actors,

Thank-you to ALL who auditioned! Taking a risk after this difficult year we've all been through is extremely admirable- you should be SO PROUD OF YOURSELF for taking that leap. Many people don't have the bravery to do what you have done. We hope to see you all audition again for Dramafest in September and Spring Musical in December- there are MANY ways to be involved in Roosevelt Theatre!

**If you did not get a part this time:**

1. We have audition FEEDBACK for you- Academic Theatre is the ONLY time where you get to ask for audition feedback to get better and better! Seek us in late September.
2. Please sign up with your counselor (or email [ksgreve@seattleschools.org](mailto:ksgreve@seattleschools.org) to help you) for Beginning Theatre 1st Semester, Intro Dance/Adv Dance 1st semester, or Theatre Tech! After you've taken Beg. Theatre, 2nd semester performance options are Playwriting, Advanced Theatre, Book It, and Theatre for Social Justice. Or do more Theatre Tech!
3. Email Sada Kalbach [1sukalbach@seattleschools.org](mailto:1sukalbach@seattleschools.org) about after school running crew and our theatre tech opportunities
4. Keep trying out and pursue extra training for voice, dance & acting
5. We will also be holding Dramafest Auditions in September and Spring Musical Auditions in December- hope to see you then!

**If you did get a part:**

3. No need to make an appointment with your counselor. The registrar and counselors will adjust your schedule for you and if there is a course conflict, they will reach out to you.

Thank you again for sharing your talent and passion with us!
